

# Affordable Dental Care

## Word Search!!!

1. Dentist - a person whose job is to care for people's teeth.
2. Tooth - what you use to bite, chew, and smile.
3. Smile - what you do when you're happy!
4. Floss - you do this once a day to clean between your teeth.
5. Toothbrush - you use this to keep the sugarbugs away.
6. Health - keeping your teeth clean helps keep you healthy.
7. Hope - a happy feeling that comes and makes you smile.
8. Opportunity - these are good things that come with having happy, clean teeth.
9. Care - people and dentists treating you nicely.
10. Cavity - these are big or small, painful holes caused by plaque with sugarbugs.
11. Cleaning - you have to go to the dentist every 6 months to get one of these.
12. Molar - a big type of back tooth that is used a lot for chewing.
13. Canine - a pointy tooth towards the front of your mouth used a lot for tearing food.
14. Mouthwash - you swish this in your mouth to freshen your breath.
15. Nutrition - eating healthy things like fruits and vegetables, so sugarbugs can't wreck your teeth and gums.
16. Plaque - a tooth colored coating with sugarbugs that sticks to teeth, gums and tongue and harms them when not brushed and flossed away.
17. Sugarbug - a bad creature in plaque that causes cavities, but is scared away by brushing and flossing!
